

Loughries Integrated Primary School Children's Child Protection Policy

Here in Loughries we agree that everyone has the right to feel safe all the time.

We will always do our best to help keep everyone safe.

There is nothing so awful or so small that you cannot talk about it with someone.

All the staff here in Loughries are able to help and we have two special teachers, **Miss Miller** who is the Designated Teacher and **Mrs Thompson** who is the Deputy Designated Teacher. They have been specially trained to listen, reassure and help anyone in our school.

Sometimes we may have to contact other experts outside school who we think might be able to help.

To help you remember what to do if you need help or want to talk to someone look out for this information displayed in your classroom.
